Contact us early with your ADA needs: info@pesihealthcare.com

Cancellation Policy:

If you contact us before the seminar date, you will receive a tuition refund less a \$30 cancel fee.

INTENDED AUDIENCE

This program is designed for physicians, physician assistants, nurse practitioners, and nurses interested in both basic science and clinical aspects of autoimmune biologics focusing on rheumatic diseases.

AGENDA

Friday, September 24th:

4:45 pm Arrival/Registration

6:00 pm Conference Goals/Dinner
Chair Jack Cush, MD

6:10 pm Keynote Lecture - Decoding Auto-inflammatory Syndromes: Understanding the Genetics
Daniel Kastner, MD, PhD

7:00 pm Immunologic Mechanisms in Bone Destruction and New Treatment Strategies for Osteoporosis
Nancy Lane, MD

8:00 pm Disease Management & Clinical Utility of Ultrasound
Alvin Wells, MD, PhD

8:45 pm Adjourn

Saturday, September 25th:

7:00 am Registration/Breakfast

7:45 am Summary of Yesterday
Jack Cush, MD – Chair

8:00 am Advances in Ankylosing Spondylitis
Walter P. Maksymowych, MD, FRCPC

8:35 am 2010 Biologic Safety Update
Ed Keystone, MD

9:10 am Lupus and Cardiovascular Disease: Discussing New Therapies for Lupus
Michelle Petri, MD, MPH

9:45 am Break

10:00 am B Cells, Therapies and Viral Infections
Len Calebrese, DO

Jonathan Kay, MD

11:10 am New GRAPPA Recommendations for Managing Psoriatic Disease
Philip J. Mease, MD

11:45 pm Luncheon w/Panel Discussion (provided)
AM speakers moderated by Dr. Cush

1:00 pm Non-Responders in RA: How & When Do We Switch?
Ed Keystone MD

1:35 pm Inflammatory Eye Disease for the Rheumatologist
Andreas Reiff, MD

2:05 am Break

2:20 pm Gout - More Prevalent but More Poorly Managed than RA
Jack Cush, MD

2:55 pm Use of Registries to Assess Safety of Biologic Agents
Hilal Maradit Kremers, MD, MSc

3:30 pm Psoriasis: Managing the Moderate to Severe Patient
Craig Leonardi, MD

4:05 pm Panel Discussion with PM speakers moderated by Dr. Cush

4:40 pm Closing Remarks

4:45 pm Adjourn

SPONSORS

This Summit is sponsored by multiple biologic companies.

SPEAKERS

John (Jack) Cush, MD - Chair

Baylor Research Institute
Chief, Rheumatology and Clinical Immunology
Clinical Professor of Internal Medicine
The University of Texas Southwestern Medical School
Dallas, Texas

Jonathan Kay, MD
Director of Clinical Trials
Massachusetts General Hospital
Boston, Massachusetts

Edward Keystone, MD
Mount Sinai Hospital
Director, Rebecca MacDonald Arthritis Center For Arthritis & Autoimmune Diseases
Toronto, Ontario Canada

Alvin F. Wells, MD, PhD
Rheumatology & Immunotherapy Center
Clinical Assistant Professor,
Rosalind Franklin University of
Medicine and Science
Milwaukee, Wisconsin

Leonard H. Calebrese, DO
Professor of Medicine
Section Head, Clinical Immunology
Cleveland Clinic Lerner College of
Medicine
Cleveland, Ohio

Andreas Reiff, MD
Head Division of Pediatric Rheumatology
Children's Hospital
Los Angeles, California

Michelle Petri, MD, MPH
Professor of Medicine
Director, Lupus Center
Johns Hopkins University School of
Hygiene and Public Health, Epidemiology
Baltimore, Maryland

Walter P. Maksymowych, MD, FRCPC
University of Alberta
Edmonton, AB, Canada

Philip J. Mease, MD
Clinical Professor, University of
Washington - Seattle Rheumatology and
Internal Medicine, Seattle Rheumatology
Associates Investigator, Swedish Hospital
Clinical Research Center
Seattle, Washington

Nancy E. Lane, MD
Director and Endowed Professor
Aging Center, Medicine and Rheumatology
University of California at Davis Medical
Center
Sacramento, California

Daniel Kastner, MD, PhD
Director of National Institute of Arthritis,
Musculoskeletal and Skin Diseases
(NIAMS) at National Institute of Health
Bethesda, Maryland

Craig Leonardi, MD
Clinical Assistant Professor of Dermatology
St. Louis University
St. Louis, Missouri

Hilal Maradit Kremers, MD, MSc
Associate Professor of Epidemiology
Mayo Clinic
Dept of Health Sciences Research
Rochester, Minnesota
